

MyCyma - Bug #114

locale setting from Browser setting is now permanent through the session

2010-07-11 19:26 - Marc Dequènes

Status:	New	Start date:	2010-07-11
Priority:	Low	Due date:

Target version:		Help Needed:	
Patch Available:	No		
Confirmed:	No		

Description

It is now impossible to switch Browser locale preferences and have the interface switch to the new locale as well. If i destroy the cookie for the site, the session is killed, and the switch happens.

This is related to the migration to the new locale_rails code in [f0dd831](#).
