Target version:		Branch:	
Patch Available:	No	Security:	No
Found in Versions:		Help Needed:	No
Confirmed:	No		

Description

I set "backlog = false" for one Chanel on one Server
But bip saves still log files for this chanel on my USB Stick even if i not want this.

So it would be nice if "backlog = false" is set for one chanel bip does not store any logfile for this chanel

History

#1 - 2011-04-12 02:04 - Pierre-Louis Bonicoli
