

CyborgHood - Enhancement #276

Rework event management

2012-01-15 01:44 - Marc Dequènes

Status: New	Start date: 2012-01-15
Priority: Normal	Due date:
Assignee: Marc Dequènes	% Done: 0%
Category: Cyborg :: Tasks	Estimated time: 0:00 hour
Target version: 0.4.0	Branch:
Patch Available: No	Help Needed: No
Found in Versions:	
Confirmed: No	
Description We need to improve the current situation. Our DSL avoids a total mess but is not easy enough to use. We should have a look at <i>em-synchrony</i> . See: <ul style="list-style-type: none">• http://www.paperplanes.de/2011/4/25/eventmachine-how-does-it-work.html• https://github.com/igrigorik/em-synchrony
