#### History

##### #1 - 2008-11-23 22:33 - Pierre-Louis Bonicoli

- Category set to Admin UI

##### #2 - 2008-11-27 20:39 - Marc Dequènes

- Status changed from New to Feedback

- Assignee set to Marc Dequènes

When you edit the group name, you can see "Été vert". So i created a new group for test called "Été vert test", and if you edit it afterwards, you do not get HTML entities. So i wonder how you obtained this HTML entity; did you entered it manually ?

##### #3 - 2009-01-04 02:42 - Pierre-Louis Bonicoli

- Status changed from Feedback to Rejected

Yes the HTML entity was entered manually : problem was non-existent.  
(real problem of user was : "How can i write an uppercase accented letter ?")
