

UFWI - Bug #393

Rename modules configurations files

2014-11-25 23:30 - Pierre-Louis Bonicoli

Status: New	Start date: 2014-11-25
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: ufw-authd	Estimated time: 0:00 hour
Target version:	Help Needed:
Patch Available:	
Confirmed: No	
Description	
<p>Modules configurations files are currently named nuauth_*, they should be renamed to remove the nuauth_ prefix. The same applies to modules configuration options.</p>	
<p>Added by Laurent Defert</p>
