Category:	Estimated time: 0:00 hour
Target version:	Branch:
Patch Available: No	Security: No
Found in Versions:	Help Needed:
Confirmed: Yes	

Description

Bip should display IRC [errors](#) sent by IRC servers using error log level.

The current behaviour is:

```
13-10-2015 14:48:14 DEBUG: ":irc.server.local 432 * Pilou :Nickname too long, max. 9 characters
```
