Description

<https://www.zabbix.com/forum/showthread.php?t=26678>

This script is able to work on v3 with a fix on page 3 of the forum thread.

We could then reduce the number of graphs while improving readability (except for large number of discovered graph, but it should not be the most frequent situation).

History

- Status changed from New to Rejected

Zabbix was replaced by Prometheus and we can do that with Grafana.
