- Status changed from New to Resolved

- % Done changed from 0 to 100

/var/log/proftpd/tls.log was missing in /etc/logrotate.d/proftpd-basic.

I removed lines older than 2016 (Size of /var/log/proftpd/tls.log was 104M).

Ansible not used: this service will be removed ([#536](#)).
