redmine: disable usage of non-free gravatar service

2021-09-12 01:29 - Pierre-Louis Bonicoli

Status:	Blocked	Start date:	2021-09-11
Priority:	Normal	Due date:	
Assignee:	Pierre-Louis Bonicoli	% Done:	90%
Category:	Service :: Web	Estimated time:	0:00 hour
Target version:		Help Needed:	
Confirmed:	Yes		
Entity:	DuckCorp		

Description

The projects.duckcorp.org instance of redmine uses the non-free gravatar service.

Usage of the service should be disabled or another instance backed by a free service should be used.

Note that the [next release of redmine](#) will allow to choose another instance than gravatar.

I didn't update the labels displayed in Administration->settings->Display (setting_gravatar_enabled: Use Gravatar user icons and setting_gravatar_default: Default Gravatar image).

[Marc Dequènes](#): does that look ok to you?

Sorry for the lag. Yes it looks fine and it has been working well so far.

Let's keep this ticket open in order to remind us to check the setting when we are able to switch to a newer version on Bullseye.
